New York, New York City, May 27, 2021 ([Issuewire.com](https://www.issuewire.com)) - A devoted pediatrician, Dr. Chopra works alongside her father and mentor, Dr. Prem Chopra MD, at Chopra Pediatrics. Her interests include allergy/immunology, adolescent medicine, gastroenterology, and behavioral pediatrics.

"Your little ones deserve the best care possible. When you need exceptional pediatric services, turn to Chopra Pediatrics in West Seneca, New York. We have highly qualified pediatricians who are

passionate about providing competent and tender care to children and adolescents. Our healthcare experts are adept in immunology, behavioral pediatrics, and other sub-specialties. Make us your preferred pediatric clinic, and have peace of mind knowing that your kids are in safe and professional hands” as stated on their website.

Throughout her academic career, Dr. Chopra earned her medical degree from Jacobs School of Medicine and Biomedical Sciences in 2007. She then went on to further her training with a residency in pediatrics at the Cleveland Clinic Children’s Hospital.

With over 15 years of experience in her field, she is affiliated with Sisters of Charity Hospital - Saint Joseph Campus, Mercy Hospital of Buffalo, and John R Oishei Children’s Hospital.

Pediatrics is the branch of medicine that involves the medical care of infants, children, and adolescents. The American Academy of Pediatrics recommends individuals be under pediatric care up to the age of 21. Pediatricians provide medical care to people ranging in age from newborns to young adults. They are trained to examine, diagnose, and treat children with a wide variety of injuries and illnesses through all of their developmental stages, as they grow and mature.

On a more personal note, Dr. Chopra resides in Orchard Park with her husband and puppy, Coco, the office mascot.
