Get to know Dentist Dr. Arvind Philomin, who serves patients in New York.

**New York, New York City, May 7, 2021 ([Issuewire.com](https://www.issuewire.com))** - A top-rated Washington Heights cosmetic dentist, Dr. Philomin helps patients transform their image and their lives by transforming their smile at Esthetix Dental Spa. He works alongside his wife, Dr. Divya Adusumilli, remaining dedicated to providing patients the unique care they need, and offering a full range of treatments, from a routine checkup to a smile makeover.

Honored to serve the good people of Washington Heights 10032 and Riverdale 10471, as well as all areas of Manhattan and North Jersey, Drs. Philomin and Addusumilli employ the latest technology available for dental implants, invisalign, dentures, and any aspect of general dentistry. Their great reputation for cosmetic and family dentistry is easily seen with their Google reviews and several other review sites where a great many patients have expressed satisfaction with their overall care including the actual procedures as well as the staff experience.

What the highly experienced husband and wife dental duo and their staff offer at Esthetix is better health for the teeth and a great smile. Both of these things contribute to having an improved quality of life. They work with patients to enable them to afford the care they need. Once they have enhanced their smiles, it is often observed that their lives and livelihoods improve too.

With Dr. Philomin's years of accomplishments and reputation, it is clear that he is the driving force behind the standards of excellence and passion of Esthetix Dental Spa. He earned his Bachelor of Dental Surgery degree in India in 1996. Subsequent to his BDS education, he spent two years in Central New York as a Master Dental Technician as a source of experience in learning, understanding, and delivering incredibly beautiful and life-like teeth.

In 2002, he acquired his Doctor of Dental Surgery degree from the New York University College of Dentistry. During and after completion, he became involved in the art and science of implantology, and since has helped many patients restore function, health, and beauty.

A Fellow and a Diplomate of the International College of Oral Implantologists, Dr. Philomin is highly trained and qualified to treat various procedures, including soft tissue and bone harvesting techniques. His very own innovative techniques in implantology have provided patients with more effective infrastructures to build teeth implants.

Dedicated to learning the latest techniques as well as advancing treatment methods in his field, Dr. Philomin along with his team of highly knowledgeable and skillful doctors is able to give his patients the SMILE they want. He tells his patients to get the SMILE they deserve. "GO AHEAD BE YOURSELF! because you are worth it."

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

In his free time, Dr. Philomin enjoys New York City's fine food and restaurants and all the different cuisines the city has to offer. He also enjoys traveling with his wife and child.
