

Augmentive SIA merger with CorePartners, Inc.

Maryland, Frederick, May 25, 2021 ([Issuewire.com](https://www.issuewire.com)) - We are pleased to announce that effective April 16, 2021, **Augmentive SIA** will be merging with **CorePartners, Inc.**

Augmentive and **CorePartners** have been the leading companies in the country in their respective industries. This is a very exciting event for both companies, for our employees and our clients. Our greatest assets have always been our people, and by joining forces we have just made a huge increase in the quality of that asset.

CorePartners, Inc. (CPI) is a computer engineering company that has built a reputation for excellence in software development and IT consulting. CPI has been incorporated in 2003 in the state of Maryland.

Over the years, CPI has delivered advanced technologies, proven COTS products, and custom software solutions to Non-Profit Professional and Trade Associations; to numerous U.S. Government Agencies and Government Contractors; such as DoD, DEA, DOA, Department of State; Medium to Large Corporate Clients; and Financial Institutions.

Augmentive is a boutique software services firm that focuses on delivering a blend of offshore and onshore software development resources to its customers. Augmentive was founded by a group of software professionals with years of experience delivering custom and application software. The Augmentive team has deep experience delivering mission-critical software to both mid-size and Fortune 500 companies in the industrial manufacturing area.

This is a merger of two highly compatible firms. Our companies have worked together frequently in the past, and we are longtime personal friends. We hold similar values and philosophies on doing business:

producing an excellent job for the client, an emphasis on honesty and integrity, and the importance of bringing a positive attitude to work.

Though we will now operate as one company—**CorePartners**—you can rely on the same personal working relationships that you have had in the past. You will still be dealing with the same people, and you can depend on the same quality of work.

Our new corporate headquarters is **6 West 3rd Street, Frederick, MD 21701, USA.**

Please join us as we look forward to an exciting and prosperous future for our clients, project partners, and employees.
