

Boat On Demand at Youboat.com: A clever solution for those who are looking for a boat during the Covid-19 crisis

YUBOAT

England, London, May 17, 2021 ([Issuewire.com](https://www.issuewire.com)) - Youboat.com offers a smart solution to the yachting sector to confront the raging waves of the public health crisis. Amateur sailors can easily keep in touch with sellers and dealers from the safety of their homes thanks to the **Boat On Demand** service available at Youboat UK.

In addition to offering the usual classified ads, Youboat UK offers a **unique and original service**: the Boat On Demand. Accessible from the Boat On-Demand tab on Youboat.com, this free and resourceful app allows anyone who seeks a boat to find the watercraft of their dreams effortlessly at home, sheltered from the Covid storms.

Youboat UK is the Gumtree of boats in the United Kingdom with more than 50,000 new and used boat ads and 1,500 vendors and dealers from different European countries. All of them can be accessed at Youboat.com.

Are you looking for a boat? No need to go to a dealer or look at thousands of ads to find your ideal vessel. From now on, you only need to log in to the Boat on Demand service on Youboat.com, describe the type of boat you're looking for: brand, model, length, width, engine type, **budget, and contact details**, and wait for the sellers who have the exact boat you are looking for to contact you.

Today, there are nearly 50,000 purchase inquiries on the Boat on Demand service. This database is consulted daily by marine professionals who are advertised on Youboat and is completely free for anyone looking to buy a boat! Efficiency is guaranteed!

Are you selling a boat? The Boat on Demand service is an innovative tool that connects customers and dealers inversely: **the buyer posts an advertisement and the seller contact them**. Once you have registered on Youboat.com, you can consult all buyer requests with their budgets and directly contact buyers by phone or e-mail to offer them your boats. You simply need to connect to Boat'Gest, a professional interface that allows you to check your buyer requests and arrange the best deal for your boats. Youboat does not charge any sales commission!

As staying at home is necessary during the public health crisis, Youboat guarantees that you can publish and sell your boats to an instant customer base and virtually meet thousands of prospects who are impatiently waiting to weigh anchor. We offer an original and secure trading space with our Boat on Demand service where all transactions can be carried out easily.
