

Bobby Blakdout teases 2 more singles from his debut EP

Bobby Blakdout went to Instagram today on his account @DayumBobby to tease 2 more single previews!

Florida, Jacksonville, May 9, 2021 ([IssueWire.com](https://www.issuewire.com)) - It was late last month when [Bobby Blakdout](#) revealed that he had an upcoming EP that was "about 99% complete" on his Instagram story. The EP will feature 4 tracks titled "[Reb00t](#)", "[Nightmares](#)", "[Sucker Punch](#)" and "[Rituals](#)" which are all very heavy bass tracks with melodic and relaxing breaks.

Over the past few days, [Bobby Blakdout](#) has been sharing snippets of a recently announced EP titled, [Reboot'D](#) on his Official [Instagram](#). It's safe to say that Bobby Blakdout is about to make his grand return. With the recently released snippets of "Rituals" and "Sucker Punch" the EP is sure to be a hit with fans of EDM genres.

Those familiar with electronic dance music know who Bobby Blakdout is as he attracts thousands of fans with his own style of aggressive, metal type EDM that he calls "riddim."

Bobby Blakdout is also the label head of Blak'd Out Records and has headlined several festivals to eager crowds while also holding rank in top charts on sites like SoundCloud and Shazam throughout 2015 and 2016.

Thanks to his loyal core audience and some creative marketing, even after much time away his recent 2021 EP announcement has caught many people's attention!
