

Brian G. Loder, DPM, CWS, FACFAS, a Podiatrist with Podiatric Surgical Specialists

Get to know Podiatrist Dr. Brian G. Loder, who serves patients in Clinton Township, Michigan.

New York, New York City, May 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Loder is considered by some, as one of the top podiatric surgeons in Michigan. He practices at Podiatric Surgical Specialists in Clinton Township, Michigan.

At The Podiatric Surgical Specialists, the providers aim to deliver the highest quality of care. This means providing an excellent patient experience, putting safety first, and delivering clinically effective care. Every patient is treated on an individual basis using advanced technology and minimally invasive surgery.

Graduating with his Doctor of Podiatric Medicine degree from the New York College of Podiatric Medicine in 1992, Dr. Loder went on to perform his residency in podiatry at St. John North Shores Hospital in 1995.

He served as Chief of Staff at Henry Ford Hospital for 6 years and continues to be involved in multiple hospital committees to ensure high-quality patient care for the hospital's patients. In addition to serving as Chief of Staff, he was the Founder of the Podiatric Surgical Training Program at Henry Ford Macomb Hospital and continues to be the Residency Director. He is also the Medical Director of the Henry Ford Macomb Hospital 'Wound Care Center' and treats patients there 2 days per week.

A Fellow of the American College of Foot and Ankle Surgeons (FACFAS), he is board-certified in foot surgery & reconstructive rearfoot/ankle surgery by the American Board of Foot and Ankle Surgery (ABFAS). The ABFAS strives to protect and improve the health and welfare of the public by advancing the art and science of foot and ankle surgery.

A leader in education, Dr. Loder travels around the United States and lectures to physicians on Podiatric Surgical Principle. He continues to produce valuable research enhancing 'overall' care in his profession.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremity. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremities. They can treat injuries and complications from ongoing health issues like diabetes.
