

Chad M. Sisk, DO, FACG, a Gastroenterologist with The Gastroenterology Center of West Georgia

Get to know Gastroenterologist Dr. Chad M. Sisk, who serves patients in LaGrange, Georgia.

New York, New York City, May 11, 2021 ([Issuewire.com](https://www.issuewire.com)) - A fellowship-trained gastroenterologist, Dr. Sisk is in practice with The Gastroenterology Center of West Georgia in LaGrange, Georgia.

His clinical interests include gastroesophageal reflux, heartburn, colon polyps, colon cancer, peptic ulcer disease, inflammatory conditions of the intestinal tract such as Crohn's disease and ulcerative colitis,

swallowing disorders, pancreatitis, hepatitis, abdominal pain, constipation and diarrhea, rectal bleeding, upper endoscopy, colonoscopy, and capsule endoscopy (pill cam).

Having been with Wellstar since 2017, Dr. Sisk joined the medical staff of Dr. Robert Coggins in 2010. Together at West Georgia Physicians Gastroenterology, the two physicians, nurse practitioners, and staff treat diseases of the esophagus, stomach, intestines, gallbladder, liver, and pancreas.

With over 25 years of experience, he is also affiliated with Wellstar West Georgia Medical Center, Tift Regional Medical Center, and Wellstar Kennestone Hospital.

Following the completion of his Doctor of Osteopathic Medicine degree from the West Virginia School of Osteopathic Medicine in 1996, Dr. Sisk went on to further his education. He served his residency in internal medicine at William Beaumont Army Medical Center and his fellowship in gastroenterology with San Antonio Uniformed Services Health Education Consortium.

A Fellow of the American College of Gastroenterology (FACG), he is board-certified in gastroenterology by the American Osteopathic Board of Internal Medicine (AOBIM). The AOBIM is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the prevention, diagnosis, and treatment of disease in adults.

Gastroenterology is the branch of medicine focused on the digestive system and its disorders. A gastroenterologist is a physician who has extensive training in the diagnosis and treatment of disorders related to the esophagus, stomach, small intestines, colon, liver, pancreas, and biliary system.

Among Dr. Sisk's most notable achievements include On-Time Doctor Award (2016, 2018) and the Patients' Choice Award (2018).
