

Claudia Ortiz-Cardenas, MD, an Obstetrician-Gynecologist with Women's Obstetrics and Gynecology, P.C.

Get to know Obstetrician-Gynecologist Dr. Claudia Ortiz-Cardenas, who serves patients in Connecticut.

New York, New York City, May 17, 2021 ([Issuewire.com](https://www.issuewire.com)) - A top professional in the field of obstetrics and gynecology, Dr. Ortiz-Cardenas brings a range of clinical experience both in the community health and hospital settings to Women's Obstetrics and Gynecology, P.C.

With offices in Trumbull and Fairfield, Connecticut, the mission of Women's Obstetrics and Gynecology, P.C. is to provide personalized care for women of all ages at all stages of life.

"Our goal is to provide you competent, comfortable, personalized care in a respectful, warm, and nurturing environment. We understand that patients have their choice of care providers. We firmly believe that our office provides superior care that is individualized to each patient. We help educate women and their families" as stated on their website.

Graduating with her medical degree from Universidad de La Sabana in Colombia in 2002, Dr. Ortiz-Cardenas completed her residency training in obstetrics and gynecology at UMDNJ Robert Wood Johnson University Hospital in New Jersey in 2011.

Most recently, she served as an Associate OB-GYN Attending Physician at Wyckoff Heights Medical Center in Brooklyn, New York. In addition, she has worked as a Research Scholar in the Division of Gynecologic Oncology Research at New York University Grossman School of Medicine and is a regular presenter at industry conferences and events.

A Fellow of the American College of Obstetricians and Gynecologists, Dr. Ortiz-Cardenas is board-certified in obstetrics and gynecology by the American Board of Obstetrics and Gynecology (ABOG). The mission of the ABOG is to define specialty standards, certify obstetricians and gynecologists, and facilitate continuous learning to advance knowledge, practice, and professionalism in women's health.

Obstetrics and gynecology (OB-GYN) is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynecology (covering the health of the female reproductive system – vagina, uterus, ovaries, and breasts). An obstetrician-gynecologist specializes in the diagnosis, treatment, and prevention of diseases and disorders that affect women, such as breast cancer, cervical cancer, and menopause. Additionally, they work with expecting mothers throughout their pregnancies, during childbirth, and postpartum.

Among Dr. Ortiz-Cardenas' most notable achievements include the Patients' Choice Award (2020), On-Time Doctor Award (2020), and Compassionate Doctor Recognition (2020).

On a more personal note, she is fluent in both English and Spanish.
