

EduHelp.org.in Launches Escrow Powered Crowdfunding Campaign for Scholarships for Children of Covid Warriors.

EduHelp.org.in has set up an Escrow Powered Crowdfunding Campaign for ₹ 1 Crore (₹ 10M equivalent to approx. £100,000 or \$135,000) for a Scholarship Fund for Children of Covid Warriors in India who lost their lives while saving others from Covid.

Gujarat, Ahmedabad, May 14, 2021 ([Issuewire.com](https://www.issuewire.com)) - EduHelp.org.in Launches Escrow Powered Crowdfunding Campaign for Scholarships for Children of Covid Warriors.

EduHelp.org.in has set up an Escrow Powered Crowdfunding Campaign for ₹ 1 Crore (₹ 10M equivalent to approx. £100,000 or \$135,000) for a Scholarship Fund for Children of Covid Warriors in India who lost their lives while saving others from Covid. The campaign is set up to pay respect and to thank the Coronavirus Warriors for their personal sacrifice.

Scholarships will be available for children of frontline healthcare workers and other Covid Warriors who lost their lives in India during the Covid 19 Pandemic. Applications will be considered once every month.

Many Doctors, Nurses, Ward Assistants, healthcare assistants, ambulance drivers, paramedics, and others have lost their lives fighting Coronavirus and, in most cases, they are the only bread earners in the family. Without help from the Government and their employers, the families may find it difficult to continue the education of the children. The devastating effects will have an impact for many years to come and this is the right time to think about supporting them.

The scholarships, each valued at up to ₹ 10,000, ₹ 15,000, and ₹ 25,000, are intended to assist students to pay the fees for their chosen course of study in school, college, or at a vocational institute. The scholarships will be awarded on the basis of meeting the eligibility criteria, which can be found on the [Covid Warriors Scholarship Campaign](#) page on EduHelp.org.in.

Why Escrow Powered Crowdfunding for Donations?

Many Donors stay away from donating because of doubts about the proper utilisation of their donations and hence we are using Escrow Powered Crowdfunding to ensure that the funds are collected by a reliable third party and the funds will then be sent directly to the educational institution as fees.

Funds donated through EduHelp campaigns are collected by **EscrowPayIndia.com** in an Escrow Account. CEO of EscrowPayIndia Mr. Ashwin Chawwla says, "It is a privilege to partner with Eduhelp for this great cause. Our seamless digital escrow solution will power Eduhelp's efforts to create a convenient, secure and transparent platform for donors. We are pleased that in these difficult times we too have been able to do our bit for this initiative".

EduHelp.org.in does not charge any platform fees so 100% of your donations go to the charities, after a small deduction of Escrow Fees. Donors can donate a minimum of Rs. 100 (approx. £1) so that almost anyone should be able to support the cause.

This will ensure complete transparency and build trust in our Donors.

Please visit <https://eduhelp.org.in/education-crowdfunding/campaign/9/covid-warriors-scholarship-for-children-of-those-who-lost-their-lives-to-covid> and offer your wholehearted support.

EduHelp India has also launched an [Education Mentoring Platform](#) to help students in getting mentoring support during this difficult time. The Pandemic has impacted and changed the entire skills demand pattern and many skills have become redundant and demand for new skills are emerging. Students will be able to get free mentoring support to help them make the right choice.

About EduHelp.org.in
