

Eren Göksu, Bio, Age, Life, Job, His career

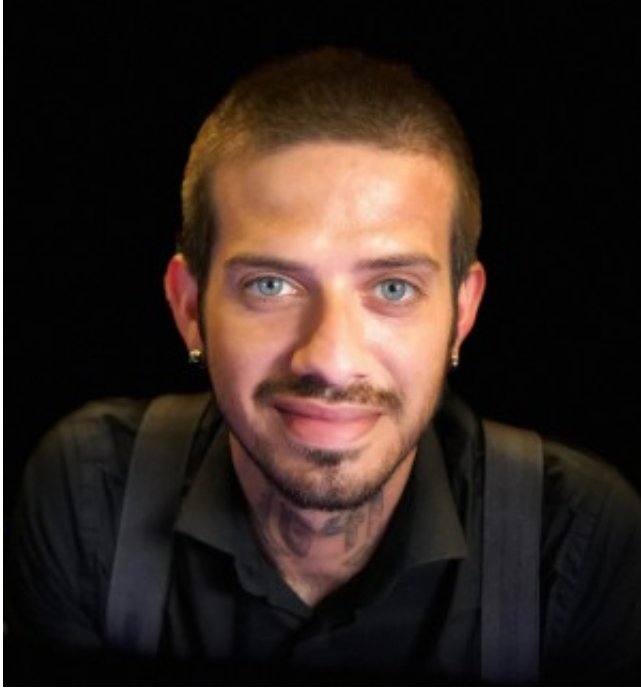

Eren Göksu Biography

Turkey, Istanbul, May 14, 2021 ([Issuewire.com](https://www.issuewire.com)) - Türk Müzik Sanatçısı, Rapçi ve söz yazarı.

"Eren Göksu" was born in Istanbul in 1993 and currently lives in Istanbul. He was introduced to rap music at a young age. His admiration for the music he listened to led him to write his own lyrics. As his interest in rap music intensified, he started making amateur recordings at the age of 16, but he left his amateur recordings because he thought he was not sufficient in writing and improved himself by writing

for many years. He is a very talented rap artist at writing rhymes. The phrase "I rhyme like a string of pearls" backs this up. He records all his songs in his home studio and mixes and masters them himself. He got his first professional recording with the song Yerimi Gizlerim on June 1, 2018, and started rap music professionally. Then, on 17 January 2019, "The World" 15 August 2019 "
