Ferdinand Risco Launch His New Business Strategy For Phoenix Enterprise Consulting Group, LLC

New York, New York City, May 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - Ferdinand Risco is the Founding Father of the Phoenix Enterprise Consulting Group, LLC. The company supports businesses to give their full potential — Phoenix ECG is a Supply Chain Logistics consulting firm building productive corporate supplier variety programs while offering a broad variety of services to meet the needs of the small business community. They deliver timely, quality professional clarifications during the supply chain by utilizing a multi-disciplinary program.

The expertise comes from C-Suite leadership and global engagements with municipal, state, federal government agencies and Fortune 500 companies in the freight transport, manufacturing, warehousing, and transportation industries.

[Ferdinand](#) Risco is committed to helping clients build an effective supply chain that boosts performance and enhances the bottom line. His service offerings are all designed to help businesses maximize their profitability.

Business Strategy takes a portfolio program to strategic decision-making by looking beyond all of a firm's businesses to learn how to create the most decision. In order to receive a corporate strategy, firms must look at how the multiple businesses they own fit together, how they impact each other, and how the parent company is structured, in order to optimize human capital, methods, and governance. Phoenix ECG develops on top of business strategy, which is involved with the strategic decision-making for an individual business.

Ferdinand Risco Launch New Business Strategy That Works Immediately
