

Ignite Technology & Innovation to Launch Google My Business Webinar

Businesses of entrepreneurs can now appear on Google My Business more often with the proper knowledge.

The graphic is a promotional poster for a webinar. It features a yellow background on the left and a dark blue background on the right. On the left, the text reads: "IGNITE TECHNOLOGY AND INNOVATION PRESENTS:", "Tips To Get Your Startup Business Found On Google Webinar", "May 10, 2021 1:00 PM", and "How to effectively use Google My Business to connect with your customers". On the right, there is a smartphone displaying the Google My Business app interface, showing the "Google My Business - Connect with your Customers" app by Google LLC with a 4.5-star rating and 119K reviews. An "INSTALL" button is visible. In the top right corner, there is an "ignite" logo and an "SEO TRAINING" logo. On the far right, vertical text reads "IGNITE TECHNOLOGY AND INNOVATION INC. | WEB11".

Illinois, Chicago, May 4, 2021 (Issuewire.com) - [1ON1 SEO Training](#), an SEO coaching agency focused on educating Chicago startups about SEO (search engine optimization), will be holding an exclusive webinar for all kinds of entrepreneurs and coworking professionals. Headlining for 1ON1 SEO Training is its creator, Bruce Jones, the official “tutor” of entrepreneurs who want to start making the internet work for their businesses. Bruce is a digital marketing and SEO professional with over sixteen years of professional experience and specializes in making small businesses rank on Google.

This exclusive webinar is hosted by [Ignite Technology & Innovation](#). Ignite Technology & Innovation is the pioneer of the Blue Lacuna, a professional coworking space for collaborative working.

Ignite Technology & Innovation fosters collaborative working and centers it as the future value creation in the community. The webinar, “Tips to Get Your Startup Business Found on Google,” will go live on May 10, 2021, at 1 PM. Entrepreneurs who struggle with getting found on Google, especially [Google My Business](#), will significantly benefit from this webinar.

Ignite Technology & Innovation helps build communities by supporting different programs that greatly increase the capacity of both adults and the youth in terms of business development and technology education. Ignite believes that if “we can build for ourselves if we support ourselves.” Interested parties may reach out to Ignite to help support innovative programs that will help increase the volume of startups in underserved communities, programs that will aid underserved youth so they may gain access to technology education through classes and workshops, and programs that will help with workforce development for adults who cannot afford the cost of training. Ignite Technology & Innovation

is a partner of the Lonely Entrepreneur.
