Jozanne Marie Enterprise: is a company founded by acclaimed actress, author, writer, and Women’s advocate Jozanne Marie. It’s a cutting-edge, relevant and diverse company that celebrates a lifestyle (fashion, beauty, travel, food, faith, family, journalism, literary work, and conferences) that empowers women and children globally. The reason the company is named after the actress is that her name means to expand and increase. The irony: Jozanne grew up in small spaces that contradicted the large mind she possessed. JME is about everyone remembering they have a name and it means something. Live it out loud.
