

Jay Walker Sets 4 new projects at Amazon Prime including 'The CJ Steele Show' & 'She Said She Was a Church Girl'

Rashad Mims & CJ Steele set to star in all 4 Projects Jay Walker to EP

California, Los Angeles, May 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - After landing a production deal with Amazon & before his most recent project releases on May 21st Walker Show, Jay Walker is making his return to the streamer for his next 5 projects and has found his two leads in the process. Sources tell Deadline that Walker will direct & produce The CJ Steele Show, with CJ Steele on board to star. Walker will also write, produce, & star in the pic She Said She Was a Church Girl, with Kenath Quinn executive producing. Prime Video has also ordered 140 episodes of Ask The CLO.

All projects primarily will shoot at Blackhall Studios in Atlanta and be released on Amazon Prime Video this fall of 2021.
