

Jetkrate, A Package Forwarding Service, Is Offering Clients Abroad a Package Forwarding Service for Items in New Zealand

Auckland, Onehunga, May 24, 2021 ([Issuewire.com](https://www.issuewire.com)) - Jetkrate is proud to announce to the people around the world that they are offering multiple services to send New Zealand-based items to their clients abroad. Their services allow New Zealand shoppers from all over the world to spend efficiently and hassle-less experiences during the COVID 19 pandemic.

The Auckland-based founder and creator Varun Khetrpal stated,

“We empathize with people all over the world who cannot travel freely because of the pandemic. Jetkrate will see to it that our clients, no matter where they are, are able to purchase and receive their shopping in New Zealand with peace of mind. We know that there are a lot of people who are invested in purchasing products made in New Zealand. We are at the frontlines of providing them with the services they need to achieve that without ever stepping out of their homes.”

The company also offers a shipping calculator that estimates the fees based on the type, dimensions, weight, and country of destination for the items. Consolidation is also allowed by combining multiple purchases into a single tracking number. Jetkrate holds the items until the clients have given their go signal to proceed with shipping. They also permit repacking of products to help save on shipping fees. Clients are also offered 30 days of free storage, allowing more items to be included in the consolidation. They send the products through highly-reputed courier services like FedEx or DHL. A concierge service has been made available to help the shopping needs of clients.

Jetkrate is the only service that allows international shoppers to purchase and deliver from New Zealand to anywhere in the world. Clients may shop in multiple stores categorizing milk powder, honey, healthcare products, beauty products, and expatriate goods. The company provides its clients with the freedom to choose shipping options, granting flexibility based on budget. Danish review website Trust Pilot lists Jetkrate to have an average rating of 4.5 out of 5.

If the public wishes to avail of the services of Jetkrate, the company may be reached through support@jetkrate.com or through (64 9) 889 3030. The customer service of the company operates 24 hours a day and seven days a week. Prospects may also visit their website at www.jetkrate.com to view the complete list of the company's services.
