Meghan Amaral / Southern California's most admired entrepreneur of the decade

California, Beverly Hills, May 24, 2021 ([Issuewire.com](https://www.issuewire.com)) - **Meghan Amaral** is Southern California's most recognized CEO, heading M Media Advertising Agency in Newport Beach, CA.

Amaral is widely known for her efforts in advocating for Women's Rights and supporting The Elizabeth Taylor AIDS Foundation.

Meghan Amaral shared in a recent interview, *"I knew what I wanted to do and who I intended to be very early on in life. When I was in high school, I missed every Friday of school all 4 years to shadow the top producers and directors in Los Angeles. I lived my life learning behind the scenes at major*

networks and studios. I went on to co-produce 2 television shows, a documentary, working with the stars and public figures, from hosting LA Fashion Week to the Presidential Inauguration. I'm grateful to own M Media, giving other women like me a professional environment where they are recognized for their hard work and talents. I believe in my team, my clients, and the difference I'm trying to make in this world, through M Media".

The first issue of the M Media Magazine "Empowered Women" will be available in December of 2021. Stay tuned as Meghan Amaral is on the rise with M Media.
