

Mi Juego - The New Single by DJ HK & Merlis Camilo

California, Los Angeles, May 5, 2021 (Issuewire.com) - 'Mi Juego' is a song by Portuguese DJ and producer DJ HK and Dominican singer/songwriter Merlis Camilo.

The song is set to be released by the renowned Portuguese Record Label BUY-RECORDS, via SinfoniaSublime Distribution, on May 17, 2021. The release counts with a lyric video and a karaoke video which will be uploaded onto the Record Label's YouTube channel on the day of the release.

'Mi Juego' is a reggaeton song spanning three minutes and seven seconds which has an urban and Latin rhythm, with a touch of sensuality, who doesn't like that, right?

The lyrics were written by producer/songwriter Avliss, from Portugal, in collaboration with Merlis Camilo. Avliss first wrote the song during a writing session with the producer DJ HK back in October 2020 and according to DJ HK, he produced the song with the intent of having the vocals of a strong woman with a robust personality and described Merlis Camilo as the missing piece of the puzzle. With 'Mi Juego', Avliss wanted to "highlight the female empowerment worldwide and Merlis seemed to be the right person to interpret this message".

The song talks about female domination and shows that males aren't the only ones to "play games" with the opposite sex.

You surely don't want to miss this out!

I like to tell stories. I sing and write songs about what I live and imagine. I am unlearning many things; something that never changes: my desire to conquer the world. Dreaming and working for what I love makes me happy. I am a free soul, a sorceress.
