Maharashtra, Nashik, May 26, 2021 ([Issuewire.com](https://www.issuewire.com)) - **MilesWeb**, a leading & trusted web hosting provider based in India, has announced a super-exclusive sale on **.COM** domain extension at the price of **Rs.99***.

MilesWeb has launched this offer wherein you get a huge discount on the registration of the **.COM domain**, which is a Top-Level-Domain, globally recognized, highly popular, and always the best choice for any individual/business planning to host a website online.

Today, if you run a business, nonetheless big or small, you know how important it is to have a steady online presence being no more an option but a must-have! Accordingly, to help businesses get online and grow on the online platform, MilesWeb has come with a special offer.

Right through **MilesWeb's** limited period sale, all the customers can get a good discount on the **.COM domain** by having it at the price of **Rs.99*** for the first year. However, the minimum purchase required to avail of this offer is 2 years.

The amazing news is that on the registration of 2-year, you get a 1-year subscription at **Rs.99** and a 2nd-year subscription at Rs.1100, thus you pay the total amount of Rs.1199, and on 3-year registration, you get a 1-year subscription at **Rs.99**, 2nd and 3rd-year subscription at Rs.950, thus you pay the total amount of Rs. 1999. The domain offer is applicable on two or three-year registration for the **.COM** domains and allows users to register the **domain for Rs.99 for the first year**.

"Considering the hard knocks that we are going through in this global pandemic covid-19 situation, where the businesses have come to halt, it is paramount to encourage the spread of online business in the economic downturn of the market.

And that's exactly why MilesWeb has come up with this special domain offer to help all the online pioneers right from an individual or a startup or a medium-sized business boost their online identity by getting business online with a .com domain at the lowest price possible"

- says **Deepak Kori**, Founder & Director at MilesWeb Internet Services Pvt Ltd.

MilesWeb continually endeavors to enhance the online presence of businesses by offering quality services at affordable costs.

However, it is the right time to invest and get the best discounts if you have made it to the online world or forethought to come on board, he concluded.

Customers can register for the plan and get the benefits of the sale. For more details check:
