

Nightmare 7-1-6 has Channeled his Unwavering Passion with a Mesmerizing Groove in his Rap Songs

The charismatic New York based artist Nightmare 7-1-6 has empowered the listeners with a dash of confidence and taken them on an enjoyable musical journey.

Buffalo, May 25, 2021 (Issuewire.com) - The splendid rapper, **Nightmare 7-1-6** has made his fans ecstatic and has provoked them to dance in the aisle. He is on the top of his game with numbers like '[Come For Me](#)' and '[Shorty Ride With Me](#)' and both of them feature Nardo. It is a stunning execution by the truly gifted New [York based artist](#). The rap numbers had an indelible impression on the hip-

hop music lovers and they are released by the avant-garde production house 'BlackEnt WeDoWrongToGetRight!'. The artist has packed in a lot of punches in his tracks as he learned it the hard way. He is undeterred by the troubles of his childhood and has come out victorious with his relatable rap numbers. Most of his cracking numbers are trending on Soundcloud.

The track, '**Come For Me**' has got bone-crunching beats with a pulsating rhythm. The song, '**Shorty Ride With Me**' has soft touches of funk with a rap mumble. The rapper, **Nightmare 7-1-6** has displayed his class with his smart rap delivery. There is a dash of realness in his tracks and it is an ode to the mud fighting he had in his growing-up years. The fans want to have a live chat with their favorite artist and it is possible through his [Twitter](#) handle. His chartbuster songs are also available on [Spotify](#).

The tracks have an insane rap flow and the rapper has brilliantly displayed his deft touches. He is a perfect gentleman in real life and looks after his family and he is only interested in dishing out quality stuff in rap music. Most of the shared posts on his [Facebook](#) profile give an insight into the latest happenings in his personal and professional life. The fans are in awe of the latest updates shared by the rapper on his [Instagram](#) handle and it gives important information about his upcoming ventures.
