Louisiana, Baton Rouge, May 31, 2021 (Issuewire.com) - The Power Conversations Book Tour features interviews with phenomenal female authors who tell their stories of perseverance and victory during trying times. The tour will be broadcasted on the Power Conversations Podcast by WYSP TV available on all podcasting platforms including Pandora, Apple Podcasts, iHeartRadio, and Spotify. The book tour not only exposes viewers and listeners to a variety of authors and book genres, but the

interviews will motivate and inspire them to follow their dreams and fulfill their lives' purpose.

The authors participating in the book tour include LaDonna Marie, Valerie Richardson, Donna Barnes, Ernee Peppers, Dr. Enola Pillard, Tasha Huston, Dr. Rashanda Booker, Kearn Cherry, LaToya Nicole, Letrece Griffin, Celeste Payne, Fiona James, Tarkisha Wallace, Jeronda Marks, Amanda Taylor, Diana Riley, and Sandra Sanders.

Nadia Francois, veteran hairstylist, and mompreneur is CEO of What's Your Super Power Anthology & TV, LLC (WYSP TV) and is the visionary author of the top seller "What's Your Super Power Anthology." Earlier this year, she launched the Power Conversations Podcast to expand the WYSP brand and offer an additional outlet to promote and support women and minority business owners.

The book tour can be viewed on WYSP Anthology's social media platforms and YouTube channel and will air from May 31- June 6.
