

Premium Clean Passes MBIE Compliance Audit

New Zealand, Auckland, May 19, 2021 ([Issuewire.com](https://www.issuewire.com)) - MBIE (Ministry of Business, Innovation, and Employment) is the government regulatory body that monitors compliance with the required employment conditions in New Zealand.

MBIE carries out a random inspection of employers of vulnerable workers in the fields of cleaning, food catering, aged care, and caretaking services in the education sector.

Premium Clean employs a large number of cleaning staff that works all across New Zealand.

On 17 Nov 2020 Premium Clean was subjected to an audit by MBIE and received a favorable report of 100% compliance with each area inspected.

Priyanka Dhiman, CEO / Founder at Premium Clean says, "It's a great achievement to pass the

compliance audit from MBIE during this uncertain time. We all work hard to maintain a comfortable working environment for our Team. We regard all our staff as a valuable asset and partner as we achieve our goal to become a premier cleaning company in the country.”

Premium Clean is a New Zealand-based cleaning company established last 2015 with more than 30,000 cleaning jobs completed. The company is providing cleaning services both residential and commercial in more than eleven cities.
