

## PricePro Pharmacy is a Source of Cost-Effective Medications for Americans

**British Columbia, Surrey, May 10, 2021 ([IssueWire.com](http://IssueWire.com))** - An increasing number of people in the U.S. are seeking out Canadian pharmacies to fill their prescriptions. [PricePro Pharmacy](#) has earned a reputation among Canadian and American customers as a trusted and reliable source for the medications they require, without the need to cross the border due to the COVID-19 pandemic.

PricePro Pharmacy is a verified and licensed pharmacy with an extensive network of fulfillment centers and suppliers. The pharmacy is accredited by PharmacyChecker.com. With the difference in costs between the U.S. and Canada, Americans can save up to 80 percent, depending on the medication.

Knowledgeable pharmacists are available to help with [trusted medical information](#). Individuals will need a prescription from their own physician and all prescriptions are verified by licensed pharmacists before they're filled. Customers can rest assured that all online shopping is safe, secure, and undergoes 100 percent SSL encryption. It's also backed by the Norton Shopping Guarantee and Trust Guard.

The [Canadian pharmacy online](#) offers multiple ways to submit a prescription. Individuals can use the pharmacy's Rx Upload to send their prescription in a PDF, GIF, JPG, PNG, or TIF file of less than 5MB. Customers can also call and speak with a pharmacist who will assist them or order via live chat, fax, or email.

Once confirmed and filled, prescriptions are mailed directly to the customer's door. Refill reminders are provided for convenience. The pharmacy can also contact physicians for prescription renewals. Individuals can use the convenient lookup feature on the pharmacy website for brand name and generic medication options.

Millions of Americans are uninsured, underinsured, and contending with expensive co-pays and deductibles. [Canada drugs online](#) at PricePro Pharmacy is a safe, affordable, and convenient alternative that can provide up to 80 percent savings. The pharmacy offers a cost-effective option for those in the U.S. that are struggling financially to obtain the medications they need.
