

Qapin.com - Marketplace for Inspection Services

The first marketplace for the Inspection Services

Jiangsu Sheng, Suzhou, May 2, 2021 ([IssueWire.com](https://www.issuewire.com)) - Qapin.com Is The New Way For The Inspection Services Industry To Come Together. Find Out More About Qapin And Our Vision For Working Together In The Future.

With Our Many Years Of Experience In The Inspection Service Industry, We Know That a Convenient And Simple Way Of Working Is Long Overdue. And That's Why We Designed Qapin - To Be A One-stop Shop For Freelancer Inspectors, Clients, And Inspection Agencies.

Our Revolutionary Platform Leads The Way In The Industry, Offering A Completely New Approach To Connecting Those Who Are Offering Inspector Services And Those Who Need Them.

We Have The Expertise To Understand What's Needed From Both Sides, And That's Why Qapin Was Created.

Budget Effectively

For Clients Sourcing Inspectors, It Can Be Difficult To Compare Quotes. Finding The Inspectors With The Right Skills And Certification Who Are Also Available On The Required Dates Can Be Very Time-consuming So Often It's A Case Of Just Booking The First One You Find.

With Qapin There's The Opportunity To Have A Greater Choice, With The Ability To Filter Out The Results That Don't Match Your Own Criteria. Compare Quotes, Experience, And Narrow Down The Shortlist Until You Find A Freelancer You Want To Use.

It's Great For Your Budget And You're Guaranteed To Get Someone Of The Highest Skills And Experience. We've Got A Secure Escrow System Too, So The Whole Transaction Is Safe From Start To Finish.

Find Clients

We've Created Qapin To Be A Marketplace That's Dedicated Solely To Third Party Inspection Services. That Means That You Won't Have To Scroll Through Lots Of Irrelevant Projects To Find Those Which Match Your Skills.

Our Filter Tool Enables You To Only See The Projects You're Qualified For, And Those Available In Your Area. It's The Smart Way To Search For Work And Will Save You Time, While Earning You More Money!

Ensuring Quality

When You Need A Temporary Engineer For Inspection Services, It Can Be A Challenge To Find A Suitably Qualified Individual Who's Available At Short Notice. Qapin Solves The Problem By Allowing Freelancers To Manage Their Calendar Online, And Showing Prospective Clients When They Have Availability.

It's Now Simple To Book In Slots At Short Notice As Both Parties Can See Where There's Availability. Freelancers Can Choose Their Own Working Slots, So It's A Solution That's Completely Customised.

Like Any Industry, Price Is Always A Factor But That Shouldn't Mean Compromising On Quality. By Choosing An Qualified Inspector Who's Local, The Lower Travel Costs Can Lead To Significant Savings.

Qapin Has Been Deliberately Designed As A Platform To Provide All The Necessary Options To Create A Marketplace That Works For Everyone. Our Secure Escrow Payment System Means There Is Protection For Both Clients And Freelancers And Makes It Possible To Take International Jobs Without Any Worries Too.

Qapin.com is the Future Of Inspection Services. Bringing The Inspection Community Together In One Easy To Use Platform, Qapin Is Simple, Free, And Convenient But Don't Take Our Word For It - Create Your
