

RideBoom Brings a Redefined Riding Experience in Punjab's Tri-City like Never Before

Chandigarh, Mohali, Panchkula and Punjab are overjoyed with RideBoom Car Taxi and Bike Taxi Services.

Punjab, Mohali, May 16, 2021 ([Issuewire.com](https://www.issuewire.com)) - RideBoom has overtaken every other cab service in popularity as demand in Punjab's Tri-City area of Chandigarh, Mohali, and Panchkula. Their fantastic service in the area has caught the eye of every traveller who uses taxi service and has availed [RideBoom Taxi](#). According to reports, RideBoom's people-friendly policies and utmost commitment to passenger safety have been hailed as the main reasons that have driven the company to the forefront in preferred cab service listings. This also includes, along with it, driver options for women and third gender that has been a major hit among them. Sources say this has brought all the women customers from other cab services straight to RideBoom.

The most unique feature of RideBoom is that it doesn't overcharge its riders. There is a strict "No Surcharge" policy that the company diligently follows. No matter what the time or the hour is, the company believes strictly that riders have a right to travel to their destination, especially their home to office and back, without having to pay a bomb. With the push of a button, clients get their taxis in record time. Apart from it, clients can also opt for drivers according to their own gender! It's this specific policy that has endeared many women and third gender riders and drivers to RideBoom. Commitment to passenger safety, especially for women and third gender, is the foremost policy RideBoom walks on.

"One of our biggest security features is that we don't monitor riders' activity before or after the ride. We have a strict policy against that. With our security number masking technology, riders can share their

ride info with loved ones. Our ability to keep our passengers safe for Bike Taxi and Car Taxi has attracted both fantastic drivers and passengers over the last year. We're proud of what we've been doing and will continue to serve in the best way possible. At the touch of a button, we'll be at your doorsteps. Download the RideBoom app today!", said a Senior Manager at RideBoom.

Important Notice: RideBoom is also providing ambulance service to anybody needing it around Chandigarh Tri-City. Now you can book your ambulance in the app if you live around Chandigarh, Mohali, and Panchkula

About RideBoom:

RideBoom is a ridesharing service operating in Punjab that offers peer-to-peer ridesharing. Its services also include taxi service and parcel delivery. For its policies of no surge pricing and total security for passengers, RideBoom has been hailed as the best cab service in the state, especially the Tri-City zone.
