“Pediatric Associates of Westfield first opened its doors in Mountainside, NJ, in the spring of 1995 and our practice grew quickly! In April of 2015, we acquired Cranford Pediatrics and expanded our services to that location. Through all these years and all our exciting changes, one thing is constant: Our goal of providing excellent care and personal service in a child-friendly environment” as stated on their website.

Educated in Italy, Dr. Panza graduated with his medical degree from the Faculty of Pharmacy and Medicine at the Sapienza University of Rome in 1984. With over three decades of experience, he is board-certified in pediatrics by the American Board of Pediatrics (ABP). The mission of the ABP is to advance child health by certifying pediatricians who meet standards of excellence and are committed to continuous learning and improvement.
