

Rock Band BAZERK Takes Over FleaLee TV

BAZERK will perform LIVE Virtually on FleaLee TV

Texas, Houston, May 13, 2021 ([Issuewire.com](http://www.Issuewire.com)) - BAZERK is a hard-hitting, high-energy band out of Los Angeles, CA who offers an edgy, raw Funk style with Rock riffs and Hip Hop beats. In 2005, front-man Zu was inspired by the artist, Prince, who encouraged him to be out of bounds and expansive with his Hip Hop style. Zu added the influence of Metal and Rock to his sound, and the unique sound of BAZERK came into being.

BAZERK has been performed all around Los Angeles and the west coast. They spend their free time recording new tracks and videos and thinking of even crazier ways to make the fans go wild. They have toured with such names as Prince, George Clinton, Ludacris, KRS One, 311, Wu-Tang, Fishbone, The Black-Eyed Peas, and One Size 0. They have been on the stages of such Los Angeles venues as the House of Blues, Queen Mary, the Roxy Theater, Boardner's, and more.

They recently released their seventh album, "American Made Monster," which features many new tracks and a few re-worked fan favorites. BazerK has collaborated on tracks with artists such as funk master, George Clinton who stated that BAZERK was "A great original band" and long-time friend, Angelo Moore from Fishbone and Dr. Mad Vibe. BAZERK has won seventeen Battles of the Bands, earning them a standing reputation and fan base around Los Angeles.
