New York, New York City, May 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - A highly trained podiatrist, Dr. Sharma is known for her compassion, understanding, and comprehensive experience for patients under her care. She practices alongside Dr. Stuart R. Snyder, DPM, at Maple Springs Foot Center, LLC in Gaithersburg, Maryland.

Satisfying individual foot-care needs, Maple Springs Foot Center, LLC provides complete foot & ankle care for the entire family. Its goal is to provide patient-centered podiatric medicine and foot surgery for effective, long-lasting healing.

The skilled podiatric specialists, Drs. Snyder and Sharma, are highly trained in diagnosing and treating diseases and disorders of the foot and ankle. They offer complete diabetic foot care as well as footwear for those with diabetes. They partner with their patients to find solutions for heel, foot, and ankle pain, sports injuries, corns and calluses, ingrown toenails, bunions, hammertoes, ankle sprains, stress fractures, warts, and cysts.

Originally from the Northern Virginia area, Dr. Sharma received her Bachelor of Science degree from Virginia Commonwealth University. She attended Temple University School of Podiatric Medicine for her Doctor of Podiatric Medicine degree and completed a three-year foot and ankle surgical residency at Jefferson- Kennedy University Hospital in Stratford, New Jersey.

During her time in residency, she was accepted and presented three case studies of research on new and innovative rearfoot and ankle reconstruction at national conferences. She also participated in a mini-fellowship in Alpharetta, Georgia with Bako Pathology for podiatric dermatopathology.

Board-certified in foot surgery, Dr. Sharma is a Diplomate of the American Board of Podiatric Medicine, which exists to offer podiatric physicians a comprehensive board qualification and certification process.

An Associate of the American College of Foot and Ankle Surgeons, she is a member of the American Podiatric Medical Association and the Maryland Podiatric Medical Association.

Interested in reconstructive foot and ankle surgery, diabetic limb salvage, and podiatric dermatology, Dr. Sharma is affiliated with Adventist HealthCare Shady Grove Medical Center and Maple Springs Ambulatory Surgical Center.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremity. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremities. They can treat injuries and complications from ongoing health issues like diabetes.

In her free time, Dr. Sharma enjoys traveling, spending time with her family, and playing with her dog. She is fluent in English, Hindi, and Punjabi.
