

Send Mother a 40% off All-in-One iOS Manager as the Sweetest Gift on Mother's Day

Leawo Software just launched its 2021 Mother's Day Deals, in which people can send their mom a 40% off All-in-One iOS Manager as gift for all-round iDevice management.

Guangdong, Shenzhen, May 7, 2021 (Issuewire.com) - Mother's Day is a celebration of unconditional love, affection, and trust, which gives people the opportunity to their mom for all they do. With the arrival of May, Mother's Day is also coming, and every child is searching for the best gift for their mom. Gifts are the things that will make the day special and memorable. Although people may just send Christmas, New Year, and Easter gifts to their mom, Leawo Software, a company specialized in multimedia solutions and data management software, just unveiled its [2021 Mother's Day Giveaway & Specials](#) to work on Mother's Day gifts.

Start from today (7th May 2021), until 30th May 2021, people can enjoy dozens of deals offered by Leawo Software. This event offers a 50% discount on its 13-in-1 bundle, a 40% discount on its top-seller bundles and Blu-ray singles, a 30% off discount on Leawo site-wide products, and a chance to win Leawo Prof. DRM Music Converter as a freebie. Among these deals, Leawo All-in-One iOS Manager is the most valuable gift which can make this Mother's Day more sweet and warm, for it provides comprehensive solutions for iDevice management. During the Mother's Day event, Leawo All-in-One iOS Manager is available at the price of \$71.95 for a lifetime license. Instead of its full price, people can save \$47.98 in this limited-time event.

Leawo All-in-One iOS Manager, including [iTransfer](#), [Music Recorder](#), and [Tunes Cleaner](#), is a 3-in-1 bundle for iOS data backup and transfer, online and offline audio recording, as well as iTunes library and other music libraries cleanup. Their specific characteristics will be briefly introduced as follows:

As one of the best iTunes alternative products, Leawo iTransfer provides users with easy-to-use operations, even novices can bypass the intervention of iTunes to transfer and backup their iPhone, iPad, and iPod data. Users can easily and effectively transfer and back up 12 kinds of files through iTransfer, including photos, videos, SMS, music, contacts, ringtones, e-books, bookmarks, notes, text messages, and more files between iDevices and computers. It also enables users to transfer files to their iDevice for storage like a USB flash drive.

Leawo music recorder is one of the most powerful audio recorders, capable of recording audio from any source and any device. It can not only record audio from external devices such as microphones, headphones, but also audio from online websites such as YouTube, Vevo, SoundCloud, and iTunes. Its function also lies in the smart music tag recognizer, music and music tag manager, and task scheduler.

Leawo Tunes Cleaner, as a powerful supplement and assistance to iTunes, can manage and clean up the iTunes music library that iTunes cannot execute in batches. With this tool, users can easily clean up the iTunes music library and other external libraries and delete duplicate songs. In addition, Leawo Tunes Cleaner is a powerful music manager. It can automatically and intelligently find and add missing music tags, such as artist, album, song name, etc., so as to complete music information easily and effectively.
