Get to know Dentist Dr. Sharon F. Whelton, who serves patients in Cockeysville, Maryland.

New York, New York City, May 12, 2021 ([Issuewire.com](https://www.issuewire.com)) - An experienced dentist, Dr. Whelton provides gentle, competent general and cosmetic dental care to her patients at her private practice in Cockeysville, Maryland.

Whether a patient is looking for personalized cosmetic dentistry, the latest technology in dental reconstruction, or an experienced general dentist, she and her knowledgeable and caring staff are ready to serve them.

Having been in practice for over three decades, Dr. Whelton offers care in a professional, modern, friendly, and comfortable family environment. Some of her services include cleanings and checkups, gum disease treatment, veneers, teeth whitening, dental implants, crowns, as well as full and partial dentures.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.
