Sobha Town Park Luxury prelaunch Project by Sobha Developers Bangalore

Karnataka, Bengaluru, May 11, 2021 ([Issuewire.com](https://www.issuewire.com)) - Are you a commuter traversing a very long distance to reach your work location at North Bangalore and planning to buy a residence close to your workplace? If so, Sobha Limited brings to you an exquisite new pre-launch project – [Sobha Town Park](#) with 1BHK, 2BHK, 2.5 BHK, and 3 BHK apartments spread across 10 acres located at Hosur Road Attibele Electronic City near Hosur Road Attibele Electronic City Village of North Bangalore. This colossal venture is a jumbo package with Lush amenities and attractive prices.

The area nonheritable by the pioneer of the \$64000 estate trade is five.8 acres within the prospective location. nearly seventy-fifth of the nonheritable area is unbroken open in order that the residents don't feel engorged within the boundaries. Sobha Town Park can style the complete landscape alongside the residential towers in such how that each unit will fancy serene and unhampered views from the balconies.

The towers can have separate lobbies ground floor and a car parking zone within the subzero level. each unit in Sobha Town Park can fancy all the mandatory facilities like water system, fire-fighting system, power offer, and backup system. there'll be a structured security system with the installation of CCTV cameras throughout the project space.
