

‘Squeezed Triple Dipped Freestyle - penny (Squeezed up - Drebo)’ by trippypennymane creates a new benchmark in hip-hop

Lexington trap artist trippypennymane gives a creative twist to regular hip-hop in his latest single ‘\$queezed Triple Dipped Freestyle - penny (Squeezed up - Drebo)’.

Lexington, May 28, 2021 (Issuewire.com) - For the listeners who get excited to hear hip-hop with an exotic dose of trap beats, artist **trippypennymane** has emerged with the perfect formula to

impress the audience. The talented **Lexington trap artist** does hip-hop the unconventional way and at no point sounds repetitive rather stands out for his brilliant experimental abilities. The trapper possesses a unique taste in the genre and has broken several stereotypes to drive focus to his name. He is making strides in the industry for his engulfing vocal quality that paves his path towards easy success. The artist manages to combine the contemporary vibe with his classic sound and offers an authentic listening experience to the audience.

On the latest, the artist has dropped his new single '[\\$queezed Triple Dipped Freestyle - penny \(Squeezed up - Drebo\)](#)' that highlights his exclusive trap style with a catchy melody line that satisfies the ears. The artist raps his way through faint yet clear and crisp hip-hop beats, as he never misses a hook to showcase his potential. The soundscape gives mysterious vibes and the rapper's dedicated rap vocals immediately appeal for its boldness. There's a sense of rawness that the artist brings to notice with his detailed songwriting that does nothing else but bridges the gap between the artist and the listener.

Hailing from the United States, **trippypennymane** follows no strict genre rules when it comes to curating his original hip-hop sound. The artist raps distinctly with honesty and serves as an inspiration to many for his realness. The latest single '**\$queezed Triple Dipped Freestyle - penny (Squeezed up - Drebo)**' works meticulously to uphold the artist's creative strength. With hints of organic strings and unique beat arrangement, the song lets the rapper's strong vocals take the charge as he shares his uniqueness at every hook. There's no doubt that he is destined to flourish in the competitive genre with his eclectic style. Hear the artist on [Soundcloud](#) and [Spotify](#) now.
