Pennsylvania, Chester, May 26, 2021 ([Issuewire.com](http://www.Issuewire.com)) - AWE Acquisition, Inc., dba AWE Learning, is excited to expand its partnership with Studio Pango SAS. Headquartered in Chester, Pennsylvania, AWE Learning is the leading provider of digital learning solutions for public libraries throughout the United States and Canada.

AWE Learning recently launched Version 2 of the Early Literacy Station™ Platinum, Bilingual Spanish Literacy Station Platinum, and AfterSchool Edge™ Platinum. Each workstation includes more than 85 education software titles, spanning all STREAM subject areas (Science, Technology, Reading, Engineering, Art and Music, and Math) for early learners, plus new interfaces, administrative features, and Customer Portal. We are excited to add additional titles from Studio Pango SAS. The addition of new content on AWE Learning's newest release of the AfterSchool Edge™ Platinum will offer users the opportunity to practice and build engineering and coding skills.

Through AWE Learning's continued partnership with Studio Pango SAS, their educational software titles will reach a larger audience and will positively impact early learners. Their educational activities help young learners to build school readiness skills, lead them to be successful in the class, and in their future. Studio Pango CEO, Julien Akita, said, "We are very pleased to expand this partnership with AWE Learning who distributes quality content, and hope to reach even more children with our latest educational software."

AWE Learning President & CEO, Dr. Deborah B. Sorgi, said, "We are delighted to expand our partnership with Studio Pango SAS on the newest release of our award-winning workstations. Companies like Studio Pango SAS offer a variety of premier educational content for our target age group and markets, and we are excited to include more of their content on our offerings. In today's global and connected world, our technology gives children access to digital learning resources. Additionally, by addressing the foundational literacy skills of early learners, we are lowering the need for intervention programs. And we are giving every child access to unlimited opportunities to grow and connect. We have no doubt that young patrons everywhere will greatly enjoy interacting on these exciting new titles."
