

The Burke Center to hold COVID-19 Vaccine Clinic

Pennsylvania, Scranton, May 12, 2021 ([Issuewire.com](https://www.issuewire.com)) - The Burke Center is pleased to announce they have partnered with the Pennsylvania Department of Health as a COVID-19 Vaccine Provider. The Burke Center has received 300 1st round doses of the Moderna COVID-19 Vaccine. They will be holding a drive through vaccine clinic for any Phase II eligible resident on Sunday, May 23rd from 1:00 PM until 5:00 PM at their office in Tunkhannock.

The Burke Center is excited to provide this service to their community and join in the fight to combat the COVID-19 pandemic. If you are interested in obtaining your COVID-19 vaccine please visit <https://www.burkecenter.org/covid> or call The Burke Center's COVID Vaccine hotline at (570) 763-8619 and a member of their staff will gladly assist you.

If you are unable to attend our drive through clinic and there are vaccines available, we will have weekday appointments available during regular business hours. Please monitor our Facebook Page and Website for additional information.

About The Burke Center

Established in 2016, The Burke Center is a 501(c)3 non-profit organization that provides outpatient mental health and psychiatric services to children, adolescents and adults. In 2015 our founder Jessica Burke, LSW had the vision to build a practice that aided in bridging the gap with mental health services in our area.
