

Top Tech Firm XGODY Introduces New Car and Truck GPS - XGODY X4

This GPS has been taking the world of driving by storm with its terrific features and remarkable accuracy.

California, Los Angeles, May 23, 2021 ([Issuewire.com](https://www.issuewire.com)) - China's top tech brand XGODY has introduced the latest [GPS for car and truck navigation](#). A brilliant product that leaves behind every one of its contemporaries with its exquisite features, the XGODY X4 BT/F 9" Navigator GPS Sat Nav FM Bluetooth comes as a huge 9" screen. It also comes with a screen resolution of 800x480 that gives crystal clear screening to the viewer. Not to mention, the device also supports touch screen to make operating easy for people, just like cellphones and tablets. In addition to these, the GPS also comes with a powerful charger, one that lasts long compared to the many others in the market that don't.

Apart from these, the device also has Bluetooth AV and 8GB ROM SAT NAV System Navigator Driving Alarm. Once the data has been entered in the system, the device alerts the driver in case he takes the wrong route or of any other car or truck navigation. A couple of other special features are that it also contains MP3/MP4 Players and FM Transmitter. Navigation for a car on a long drive becomes much easier when FM music plays on the device, that also includes Micro SD socket, MAX Micro SD card up to 32GB! Also, XGODY also gives [Free Lifetime maps update](#) on the device!

"Our products, especially XGODY X4, have been selling like hot cakes. Since we also ship internationally, XGODY products are an international sensation. The excellent reviews we have received has put our standing among the best. We are thankful to our thousands of customers for putting their trust in us. We are even more motivated to give you the best quality tech devices before anyone else. There's no other [car GPS](#) or truck GPS that matches XGODY X4. We are dedicated to keep you ahead in the tech world. XGODY X4 Satellite Navigation Device is the latest example of our commitment towards you", said Ben, the Founder of XGODY.
