Get to know Dentist Dr. Xin Jenny Wang, who serves patients in Woburn, Massachusetts.

New York, New York City, May 14, 2021 ([Issuewire.com](https://www.Issuewire.com)) - Dr. Wang has been practicing dentistry for almost two decades. After graduating from Tufts, School of Dental Medicine in 2002, she opened her own practice - Woburn Dental Group, PC - in Woburn, Massachusetts in 2007.

In 2018, she started her second office at 109 Montvale Ave in Woburn. Finally, after a thorough renovation, she moved both offices to the one at 109 Montvale Ave. in Woburn in 2020, which is a state-of-the-art facility.

Not only is she dedicated to improving the well-being of her patients through customized treatments, but she also wants to educate her patients on the importance of dental hygiene and maintenance. Dr. Wang wants every one of her patients to be able to smile wide and be healthy!

Her passion for education never wavered post-graduation and she regularly attends professional workshops and continuing-educational classes to make sure she is up-to-date with the most advanced technologies. Therefore, she is able to offer varieties of service: general dentistry (white filling, crown, and bridge, dentures, root canal, extractions), cosmetic dentistry (bleaching, veneers, smile makeover, Invisalign), dental implants (placing and restoring implants), bone graft, periodontal treatments, TMJ treatments, sleep apnea appliances, and more.

Among her professional dental affiliations, Dr. Wang is an active member of the American Dental Association, the Massachusetts Dental Society, and the Middlesex District Dental Society.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

In her spare time, Dr. Wang enjoys her time with her family and loves traveling to experience nature, scenery, and culture. She is fluent in both English And Chinese.
