COL. GREG GADSON
PATRIOT PROGRAM SPOKESMAN

Texas, Argyle, May 11, 2021 ([Issuewire.com](https://www.issuewire.com)) - Zilis™ LLC, a CBD industry leader known as the “Pay it Forward” company for their commitment to match every product sale with a charitable donation, is hosting two special events featuring Colonel Greg Gadson, their Patriot Program spokesman.

On May 13th, Colonel Gadson will be a guest speaker at the CBD Social at the Sheraton Galleria in Dallas, Texas. Gadson will share the stage with Zilis™ CEO and Founder Steven Thompson at this

special event, which kicks off a 5:30 PM CT.

Greg will also be speaking at a virtual event on May 27 that honors veterans and first responders in advance of the Memorial Day holiday.

At both events, Greg will share his story, which inspired him to become an advocate for veterans and wounded warriors.

Colonel Greg Gadson served in the U.S. Army for more than 26 years. His military awards include the Distinguished Service Medal, Legion of Merit, Bronze Stars, Purple Heart, the Meritorious Service Medal, and the Army Commendation Medal. In May 2007, an improvised explosive device attack cost him both legs above the knees and normal use of his right arm and hand. Despite this, he remained on active duty in the Army until his retirement in 2014. He has also appeared on screen in the blockbuster movie Battleship and the television series The Inspectors.

Gadson recently became the spokesman for the Zilis™ Patriot Program, which gives veterans, active military members, and first responders the ability to purchase Zilis™ products at wholesale pricing, saving money with each product purchase. They can also join Zilis™ as a Patriot Ambassador to start their own business without paying an enrollment fee. Zilis Ambassadors can also support the heroes in their lives by purchasing products to be shipped directly to Patriots.

Steven Thompson, CEO and Founder of Zilis™, explained the importance of these events, “Zilis™ was founded with a mission to change lives, and our Patriot program is a key part of this mission. I’m thrilled to share the stage with Colonel Greg Gadson to spread the word about this program and inspire our Ambassadors and guests with his courageous story.”

Other charitable programs at Zilis™ include their Pay it Forward Nutrition program, which provides daily nutrition packs for the children of Haiti. Through their partnership with Vitamin Angels, Zilis™ also donates prenatal vitamins to expectant mothers and infants around the world.
