

A New Company Launched Named Darzi Company

Launching Of Darzi Company

Madhya Pradesh, Bhopal, Jun 21, 2021 ([Issuewire.com](https://www.issuewire.com)) - [The Darzi Company](#) Announced its official launch. Darzi Company is a start-up founded by Sandeep Pandey and Gajendra Lowanshi with the dream of changing the existing designer clothes market. Now the question arises how?

[Darzi Company](#) will Provide all the Boutique services at people's doorstep.

[Mission- Deliver the best designer clothes at affordable rates at the doorstep.](#)

Darzi Company will also create jobs for housewives who know Clothes stitching but not getting customers because of their lack of knowledge in Business development. Housewives will get work at their doorstep.

Darzi Company's main focus is to bridge the gap between a busy life and oversize clothes staying in a wardrobe and waiting for their owners to wear them. Darzi Company will pick people's oversize clothes from customer's places at their time.

[Tagline- Aapki Marzi, Humara Darzi](#)

Creating a new big market for designer clothes and fashion designers, Darzi the company wants to change the whole apparel market with the new technological appeal.
