

A Wholesale Jewelry Manufacturer is Introducing a New Collection of Birthstone Jewelry Range

GARNET

Rajasthan, Jaipur, Jun 17, 2021 ([Issuewire.com](https://www.issuewire.com)) - **Rananjay Exports** has come up with their new '[Birthstone jewelry collection](#)' range. The birthstone is believed to equip the wearer with its powerful energies and gorgeous look. And Rananjay Exports have dedicated this year to different birthstone jewelry. Covid has drastically changed the lives and health of people and left the mark of disappointments. But they are proudly taking on this challenge to create a positive impact from their

gemstones. They aim to transform lives in a meaningful way. Moreover, their **beautiful birthstone jewelry** includes a variety of exclusive gemstones. This is great news for all the retailers, as it's high time to give the best and effective jewelry to their customers.

The company's product manager said that we are working well with this changing world. Our lives have been impacted due to covid, but there is always a solution for a problem. And we will design our gemstones in such a way that it provides the ultimate protection and comfort to our clients. However, we are able to achieve the perfect concept with the help of our latest technology.

In an interview the CEO of the company said, we want to have a fresh start with positivity and good health. He also referred to the powers of the gemstone, which can do wonders on health and well-being. He hinted towards the authenticity of the birthstone jewelry and promised to give the best to retailers at an affordable range.

The company also pays major heed to the environment, keeping in mind the ecological practices and ways to conserve it. They also work on ethics and aim to be a globally preferred **gemstone supplier** and continue serving the industry with passion and love.
