

African Dream Foods Launches Their Line Of Sauces, Salts And Seasonings On Amazon

The African-made and US-based company that gives back strikes a deal with Amazon to make their product line available on the world's top retail marketplace. US customers can purchase product today on Amazon online or via mobile.

California, Orange, Jun 24, 2021 ([Issuewire.com](https://www.issuewire.com)) - **African Dream Foods (ADF)** have expanded their quickly growing footprint by making their product line available via Amazon. After launching their brand on April 21' with an online store and distribution into Walmart.com, ADF has seen exciting company growth and enthusiasm for their line of 12 flavors, which include sauces, salts, and seasonings sold individually and in variety-pack gift boxes. Customers can now purchase most of their product variations on [Amazon](https://www.amazon.com), with orders being shipped directly from their warehouses (FBA) and available for Prime shipping.

In early 2021 African Dream Foods teased their exciting new brand of sauces, salts, and spices inspired by the culture and flavors of Africa. With company operations in Southern California, all products are developed and imported from South Africa using all-natural ingredients sourced from small farms. For all

sales from their web store and retail partners, partial proceeds from all products will benefit conservation efforts and organizations that protect Africa's wildlife. Partner organizations helping conservation work include Wild Shots Outreach and Paws Trails.

African Dream Foods offers 8 sauces, 3 spicy salts, and a smoky seasoning. Their sauce flavors include a Bird's Eye Chilli, Ghost Peri-Peri, Habanasco - Fermented Habanero, Sweet Dream Sauce, Southern Braai BBQ, Jalanasco - Fermented Jalapeno, Lemon & Garlic Peri-Peri, and African Ghost Pepper. Salt and seasoning offerings include a Habanero, Ghost Pepper, or Smoked Chipotle Salt and their unique Safari Smoke Seasoning. The spicy salts and seasonings come in convenient grinders.

All 8 sauce flavors are available in 5oz bottles with 5 of those flavors also being offered in a 16.91fl oz "Chef's" bottle. Additionally, most of the sauces (*except Southern Braai and Sweet Dream*) are available in a special 50ml (1.7fl oz) Travel/Gift Variety Pack. The Chef's bottles (16.91fl oz) and all 4 seasonings are available now on the [African Dream Foods website](#), at [Walmart](#), and on [Amazon](#) online.

African Dream Foods is a project developed from the various passions of entrepreneur David Schmunk. His curiosity to see and experience new things ultimately brought him to South Africa — where a new journey and the love affair with the beauty, vitality, culture, people, scenery, and flavors of the country began. David wanted to create a business that combined his passions for travel, food, hot sauce, and spices with Africa, photography, and wildlife conservation.
