New York, New York City, Jun 4, 2021 ([IssueWire.com](https://www.IssueWire.com)) - Servicing The Bronx in New York City, New York well over three decades, Dr. Singh is a warm and helpful dentist at Dental Care Center.

Patients have excellent things to say about him, one stating “Dr. Singh is amazing! He’s super nice and has an excellent chairside manner. He actually listens to your concerns and tells you the best treatment options. He won’t try to push unnecessary procedures. The office staff is also super-efficient yet polite. They’re very cooperative when it comes to scheduling appointments and will answer any billing questions you have. I strongly recommend Dental Care Center in the Bronx, NY to anyone I know!”

Upon embarking on his dental journey, Dr. Singh obtained his Bachelor of Dental Surgery degree from Patna University. He furthered his dental education at Boston University, graduating with his Doctor of Dental Surgery degree.

In order to stay up to date in his field, he remains an active member of the American Dental Association.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.
