Talented singer Bonsekour finds his passion in music and elevates the bar for others with his intriguing dance-pop sounds that deserve undisturbed attention.

Montreal, Jun 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - Freshly dipping his feet into the vast genre of pop, an artist who with his exclusive skill set owns the genre is [Bonsekour](#). The talented singer, songwriter

encourages everyone to let go of all the worries and immerse themselves into his soul-stirring soundscapes. The artist creates music based on real-life events and his experiences and adorns them with beautiful melodies to create a lasting impact. With his series of recent releases, the singer is claimed to be one of the highest praised musicians in recent times.

To showcase his talent, the artist has given a completely new feel and look to pop on his latest singles '**Party Day N Night**', '**Life Is Fun**' and '**I Love You**'. The songs are not just immersive and catchy, but highlight the singer's ability to craft meaningful pieces that feel all at once hopeful and understanding. The first two songs give away a grooving vibe with all kinds of catchy and peppy tones fused brilliantly to excite the mood. Whereas, the last single takes an emotive turn and shows the singer taking a quietly expressive route to share his feelings.

Coming from Canada, **Bonsekour** re-discovered his talent for singing and writing during the pandemic and is planning to drop a new single every two weeks. His music is a potent mixture of dance, pop, and R&B, and comprises every element that intrigues the listener. Brilliantly striking as a modern-day dance-pop fusion, the songs become readily addictive.
