

## CDN Solutions Group Is Now INTERTEK Certified Organization Under UKAS Scheme

Arizona, Phoenix, Jun 14, 2021 ([Issuewire.com](http://Issuewire.com)) - CDN Solutions Group, A Leading [Mobile App Development Company](#) in the USA. They have been in the market for the last 21 years and have marked their presence in the realm of innovation. They have been awarded as top web development company by [Good firms](#), [clutch.co](#), [appfutura](#) and [designrush](#), etc.

After getting recognized by so many establishments now they have become INTERTEK certified organizations under the UKAS Scheme. This Certification demonstrates your validity, credibility, and reliability to the market. To deliver that reliability, Intertek maintains broad worldwide accreditations and acknowledgments for testing and certificate services.

As worldwide business sectors develop and grow, more buyers are looking for safe, reliable, and, progressively, eco-cognizant products. With both global and local capability, Intertek brings the capabilities you need to get your items before the right eyes. They offer certificate programs that accomplish market passage into an assortment of worldwide destinations, programs for a more eco-friendly climate, and projects to confirm social responsibility consistency for both you and your providers.

CDN Solutions Group has a vast spectrum of products and services which includes [web development solutions](#), [mobile application development](#), [custom software development services](#), etc.
