

Click Unveils Aspire Show Home At The Heart Of Slough's 3.5 Billion Regeneration

Click Aspire Open Show Home

Berkshire, Slough, Jun 22, 2021 ([Issuewire.com](https://www.issuewire.com)) - CLICK PROPERTIES, an award-winning property developer, is excited to announce their new sales and marketing suite has now opened for buyers to experience Aspire, their latest luxury development.

Once complete, Aspire will boast 238 stylish one, two, and three-bedroomed apartments with uninterrupted and protected views of Windsor Castle. At the heart of Slough's 3.5 billion pound regeneration framework, Aspire offers potential buyers modern, energy-efficient apartments conveniently located 16 minutes from London Paddington.

Aaron Emmett, Managing Director at Click Properties, said: "*Slough is a property investment hotspot that offers an exciting investment opportunity for buy-to-rent investors and first-time buyers alike. At Aspire, we've created sophisticated living spaces, equipped for contemporary living and outstanding connectivity to central London.*"

Prices start at £265,000, and Help-to-Buy is available for first-time buyers. Click is offering exclusive discounts and other attractive incentives including furniture packs for NHS personnel and other key workers.
