

Durga Prasad Mekala, MD, a Family Physician with PSMD Medical Associates PA

Get to know Family Physician Dr. Durga Prasad Mekala, who serves patients in Arlington, Texas.

New York, New York City, Jun 4, 2021 (IssueWire.com) - Specializing in family practice and geriatrics since 1993, Dr. Mekala is the Owner & Operator of PSMD Medical Associates PA in Arlington, Texas.

Dedicated to providing quality and comprehensive medical care, some of the services that he offers include: chronic disease management, COPD & asthma care, family planning, ear syringing, high blood pressure, diabetes, weight loss, general health, prevention & wellness, immunizations, work/school/travel exams, minor ambulatory procedures, acute illnesses, depression, and gynecology exam.

Experienced in treating a wide variety of medical conditions in patients of all ages, Dr. Mekala strives to not only treat his patients but also educate them about their condition and the possible treatments. He is a great listener and gives each patient the utmost attention and care.

Currently practicing in the Arlington area, he is affiliated with the Medical City of Arlington, Texas Health Arlington Memorial, Texas Health Heart & Vascular Hospital Arlington, Kindred Hospital, Encompass Health Rehabilitation Hospital, and Texas Rehabilitation Hospital.

Educated in India, Dr. Mekala obtained his medical degree from Sri Venkateshwaraa Medical College in 1992. He then relocated to the United States, performing his residency at Carilion Clinic Family Medicine - Roanoke Salem in 2009, and his fellowship in geriatrics in 2010.

Prior to moving to Virginia for residency, he worked in private practice in Jamaica for over ten years since 1995.

Sought out for his years of experience in providing continuing and comprehensive health care, he is board-certified in family medicine and geriatric medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice in family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

As a testament to his success, Dr. Mekala is the recipient of the Top Doctor Award (2018) and the Patients' Choice Award (2014).

On a more personal note, he speaks multiple languages, including English, Telugu, and Tamil.
