

GENESIS 3733366 – An NFT Experiment

This NFT listing aims to discover the generosity of society.

California, Los Angeles, Jun 8, 2021 ([Issuewire.com](https://www.issuewire.com)) - 'Let's Make The World A Better Place'. That is the vision of the [GENESIS 3733366 NFT](#), an experiment to show how generous and caring the world can be. Hosting an auction for the art piece, the Genesis sale will give 50% of sales to charities to feed the hungry. Limited to one edition only, the starting bid stands at 0.077055 ETH. Many NFTs have been used to raise funds for charitable causes, and the GENESIS 3733366 definitely aims to do the same.

Available exclusively on Mintable, this limited-time auction will raise funds that will go towards good causes. The artwork features a sole apple, with a bite taken out of it, placed in a picture frame with the numbers '3733366' in red. What does this number mean? Does this suggest the possibility of a series? The artist, who created the listing on Mintable, remains anonymous by naming themself 'genesis3733366' with no associated social media presence.

Check out the [auction that is available for a limited time only](#).

ABOUT MINTABLE

Mintable is a next-generation non-fungible token (NFT) marketplace built on the Ethereum & Zilliqa blockchain. Launched in 2018, Mintable has pushed the NFT industry forward by being the first to design gasless minting, batch minting, and royalties, empowering artists and creators to monetize their work via NFTs. Mintable's gas-free minting option allows the everyday person to get involved with NFTs without any prior knowledge in coding or upfront cost of minting an asset – a great way for everyone to get into crypto. In 2021, Mintable announced the backing of a list of high-caliber investors including renowned venture capitalist and television personality, Mark Cuban, Sound Ventures, a venture capital firm founded by and Ashton Kutcher and Guy Oseary, and TIME Ventures, the investment fund for Marc Benioff. To date, Mintable has sold and auctioned works by Grammy-Award-winning artists, 20th-century avant-garde artists, and various high-profile artists and celebrities.
