

Groove with Upcoming Hip-Hop Artist Dime and his Catchy Lyrical Ballad, ‘NOBODY’

Upcoming hip-hop music artist Dime is fleshing out raw emotions through his latest track ‘NOBODY’. The artist has collaborated with HBK Wopp for this banger.

bangers by **Dime**. The rapper has dropped an enticing single, '[NOBODY](#)'. For this track, he has collaborated with **HBK Wopp** who did an amazing job while complimenting the artist's deliverance. The musical arrangement in the track provides enough creative space for contemporary rhymes and upfront vocals to grow. Sprawling through the hypnotic essence of digital music, the catchy sound design can captivate all the listeners with a major hook. There is a sense of familiarity in the tune which makes the banger very relatable and close to heart. However, it is well balanced with subject matter which offers a subtle dose of confidence.

The latest banger has also been released with an official video which is shot by @aceshootinagain or Acethedirector. The music video features a seaside setting with a warm tone, booze, and a swanky representation of true hustle. The track consists of every element of hip hop which is masterfully incorporated to keep the raw and unapologetic essence alive. Bass-soaked heavy beats and grooves act as the structural foundation for the lyrical flow to proceed. The artists' eclecticism and clever wordplay are over the top and engaging enough to keep the listeners engrossed. Slumberous vocal tone and melodic spacious verses churn out a new essence of hip hop and rap. There are some quick immersive moments of vocal prompts, humming, and backing vocals which make it even richer and more fulfilling. The official music video of the track '**NOBODY**' has been premiered on 30th May of this year on the YouTube channel of Planemedia Visualz. This label has helped many independent artists with its fine line production. Follow the channel to listen enjoy the music video.
