

Hong Kong Housing Market launched subscription based Real Estate Mobile Apps for Real Estate Agents in Hong Kong

Hong Kong S.A.R., Hong Kong, Jun 15, 2021 ([Issuewire.com](https://www.issuewire.com)) - Give your real estate business an unprecedented boost today with your branded mobile app. You don't need any coding skills before using the [Hong Kong Housing Market Real Estate Branded Mobile App](#). With this app, your clients would have access to property listings on a map, locate properties at close proximity, schedule inspection visits, and also find properties using a GPS locator.

Expand your real estate business with the [Real Estate Branded Mobile App](#) and stay ahead of the competition by automatically detecting mobile users and inviting them to download the mobile app from related app stores.

To enhance your brand power, publish your brand name, corporate logo, business introduction, and splash-screen on this mobile app. You can also create brand awareness by playing real estate-related promotional videos on the app and watch as your business receives a boost in potential leads. Also, you can generate more leads and increase your conversion rate by synchronizing this mobile app with your official website.

In summary, your Real Estate Branded Mobile App will;

- Create and improve brand awareness,
- Improve communication between you and your clients,
- Enhance real estate processes,
- Speed up property searches, and
- Increase leads and conversion rates.

There are many user-friendly and interactive features on offer for users of your mobile app, some of these include;

- Easy location of properties with driving directions while on the go.
- Different property search filter options, such as; search by city, ZIP code, price, style, and much more.
- Search options for recently sold properties and foreclosures.
- Easy location of properties in close proximity to users and potential clients.
- Availability of photo galleries with full details of all the properties displayed.
- Access to current MLS-listed homes that are up for sale.
- Users of your mobile app will be able to save their favorite properties on their mobile devices and even share them with family and friends through email.
-

Get your HMG Real Estate Branded Mobile App today from Google Play Store for your [Android OS](#) or the App Store for your iOS mobile devices for a monthly [subscription of only USD \\$49.](#)
