

InterCon Awards Committee Names Knowledge Hub Media a Top 50 Internet Technology Company

Award presented to Knowledge Hub Media on June 24, 2021, at InterCon USA 2020-21 in Las Vegas, Nevada

Nevada, Las Vegas, Jun 24, 2021 ([Issuewire.com](https://www.issuewire.com)) - The InterCon Awards Committee has named Knowledge Hub Media one of the Top 50 Technology Leaders of 2020-21. The award was presented at the InterCon USA 2020-21 conference, held at the MGM Grand in Las Vegas, on June 24th, 2021.

InterCon is a preeminent international technology conference that is attended annually by distinguished honorees within the information technology, consumer technology, artificial intelligence, IoT, blockchain, and e-commerce industries. The conference recognizes innovative internet companies for their achievement and contributions to the industry.

At [InterCon USA 2020-21](#), the top 50 internet technology leaders were recognized for their achievements throughout 2019-20. Knowledge Hub Media was one of the companies fortunate enough to be honored and awarded at the ceremony. Uniting tech enthusiasts from 45+ countries, the InterCon conference brought together leaders of the internet technology companies that are taking part in the newest industry advancements.

Knowledge Hub Media is B2B advertising, marketing, and technology platform that specializes in delivering services such as [account based marketing](#), lead generation, [demand generation](#), white paper syndication, [intent data analytics](#), and [content syndication](#).
