Get to know Psychiatrist Dr. James Rogers, who serves patients in Mount Laurel, New Jersey.

New York, New York City, Jun 3, 2021 ([IssueWire.com](https://www.issuewire.com)) - A trusted psychiatrist, Dr. Rogers works at RowanSOM Student Mental Health Center in Mount Laurel, New Jersey.

In recognition of the rigorous nature of medical education and practice, RowanSOM is committed to providing timely, affordable access to expert mental health care to ensure the personal well-being and professional success of its medical students and residents.

Under the auspices of the Department of Psychiatry, the Student Mental Health Center exists to combat the high rate of psychological distress that arises in the process of becoming a physician. It offers confidential access to psychiatric evaluation, medication management, personal counseling, and performance coaching - all specifically geared toward medical students at RowanSOM, Cooper Medical School at Rowan University (CMSRU), and Rowan Graduate School of Biomedical Sciences (Rowan GSBS). Additionally, medical students and residents are assisted to develop self-care practices that preserve health and protect against the onset of anxiety, depression, and related concerns.

Pertaining to his academic background, Dr. Rogers graduated with his Doctor of Osteopathic Medicine degree from the Rowan University School of Osteopathic Medicine in 1988. He then went on to perform his internship and residency in psychiatry at the said establishment.

Following his training, he attained board certification in psychiatry through the American Osteopathic Board of Neurology and Psychiatry (AOBNP). The AOBNP is an organization that provides board certification to qualified Doctors of Osteopathic Medicine (DOs) who specialize in disorders of the nervous system (neurologists) and to qualified DOs who specialize in the diagnosis and treatment of mental disorders (psychiatrists).

Throughout his 30+ year career, Dr. Rogers has been affiliated with various medical centers and hospitals, including Inspira Medical Center Vineland, Our Lady of Lourdes Medical Center, and Jefferson Cherry Hill Hospital.

Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. These include various maladaptations related to mood, behavior, cognition, and perceptions. Psychiatrists evaluate, diagnose, and treat patients with mental, emotional, and behavioral disorders. They conduct thorough psychiatric evaluations, develop treatment plans, prescribe medication, and evaluate treatment results.
