

Jay Walker's 'Walker Show' Show Greenlit on Amazon Studios, sets August 23rd premiere date.

California, Beverly Hills, Jun 14, 2021 ([Issuewire.com](https://www.issuewire.com)) - Ahead of 'Walker Show' 1st-season premiere this summer, Amazon has ordered 90 additional episodes of the Jay Walker-hosted sketch comedy series to make it through Season 4.

The sketch comedy is the second greenlit under Walker's new multi-year deal with Amazon Studios, joining How Many More. Walker is writing, directing, and producing Walker Show. Co-produced by Amazon Studios, Jay Walker Productions, and Sony Pictures Television will exclusively stream on Amazon Prime Video in more than 240 countries and territories worldwide. The show reportedly has 30 Episodes.

Set to return on Tuesday, August 24 — the comedy sketch show picks up with new episodes from Season 1, which was shot pre-pandemic in 2018 - 2019 at Blackhall studios.
